# Notice of Hearing

---

December 19, 2013

Ref. 2013-H-106

The Canadian Nuclear Safety Commission (CNSC) will hold a hearing in January 2014 to consider Ontario Power Generation's (OPG) application for the issuance of a Licence to Abandon for the Bruce Heavy Water Plant, and for the revocation of the Heavy Water Plant Decommissioning Licence for this facility, located on the shore of Lake Huron near Kincardine, Ontario.

OPG has completed the decommissioning of the Bruce Heavy Water Plant and is now seeking final release from CNSC regulatory control of this facility through a Licence to Abandon. The Commission will consider OPG's application by way of written submissions, in a closed session.

Members of the public who have an interest or expertise in this matter or information that may be useful to the Commission in coming to a decision are invited to comment on OPG's application. Requests to intervene must be filed with the Secretary of the Commission by January 20, 2014, directly online at [nuclearsafety.gc.ca/eng/commission/intervention/](http://nuclearsafety.gc.ca/eng/commission/intervention/) or through the coordinates below. The request must include the following information, as per the *Canadian Nuclear Safety Commission Rules of Procedure*:

- a written submission of the comments to be presented to the Commission
- name, address and telephone number of the requester

Personal information, such as address and telephone numbers, is essential for linking the submission to its author. Please submit your personal information on a separate page if you wish to ensure its confidentiality. It should be noted that all submissions are available to the public upon request to the Secretariat.

Following the deliberations and decision of the Commission on this matter, a *Record of Proceedings, including Reasons for Decision* will be published on the CNSC Web site and made available to the public.

The hearing submissions are not available online and must be requested through the Secretariat at the address below:
